## BIOGRAPHY

Web Development student with a passion for learning and implementing modern web technologies. I have hands-on experience in building websites through various bootcamp projects. I thrive in dynamic environments and love being part of innovative teams. Currently seeking opportunities to apply and enhance my skills in a real-world setting.

## EXPERIENCE

As a Web Development student, I have gained substantial experience in designing and coding interactive websites. My bootcamp projects have provided me with the opportunity to work with various web technologies, enhancing my understanding of their practical applications. The fast-paced, dynamic nature of the tech industry is something I thrive in, and I am always eager to be part of innovative projects.
